

Norra

Reception with a human touch, powered by AI.

Your AI receptionist.

An AI that answers every call, books appointments, and captures every lead — 24/7, so you never miss a customer. Built and supported for you, locally.

What Norra does

- ✓ Answers every call, 24/7 — no busy signal, no voicemail
- ✓ Books appointments straight into your calendar
- ✓ Wins back missed calls with instant text-back
- ✓ Speaks your customers' language
- ✓ Texts you a clear summary of every call

Why Norra — done-for-you, not do-it-yourself

- We build, run & support it — you never touch a dashboard.
- A real, local person — not an overseas ticket queue.
- Multilingual and tuned to your business.
